

COMMITTEE VOLUNTEER FORM

You've already joined the Academy, now become an active contributor!

The Academy of Clinical Electrophysiology & Wound Management (ACEWM) prides itself on providing participation and leadership opportunities. As an ACEWM member, you can join one or more committees and/or Special Interest Group (SIG). Become an active member today by volunteering and get the most out of your membership by collaborating with your professional colleagues. Please **highlight** the committee(s) and/or SIG(s) that you are interested in below and email to info@acewm.org.

Academy Committees

- **Federal Affairs** – *focuses on public policy, legislation, and consumer education*
- **Membership** – *collaborates with Academy committees/SIGs on member recruitment and retention initiative*
- **Nominating** – *(elected position) – develops yearly slate for Academy elections and manages elections process*
- **Practice** – *advances practice through member education and other initiatives*
- **Education** – *manages Academy programming and collaborates with committees/SIGs to develop continuing education opportunities*
- **Research** – *promotes member research and selects abstracts for presentations at CSM*
- **Communication** – *develops and maintains electronic newsletters, eblast notices, website, etc.*

Academy Special Interest Groups (SIGs)

ACEWM SIGs provide a forum for members to (1) meet, confer, and promote patient care through education, clinical practice, and research, (2) network with others who share a passion for wound management, electrophysiology, and diagnostic ultrasound, (3) develop teamwork and leadership skills, and (4) advocate and promote positive change within the profession.

- **Wound Management**
- **Electrodiagnosis**
- **Biophysical Agents**
- **Neuromusculoskeletal Ultrasonography**
- **Student**
