

Neuromusculoskeletal
Ultrasonography SIG

The NMSKUS SIG is dedicated to enriching the membership experience. As part of this initiative, we are creating a **directory of potential mentors to showcase on the NMSKUS SIG page, making it easier for interested members to connect with you.**

In line with this, we are seeking volunteers for the following roles:

1. Individuals interested in teaching introductory ultrasonography courses within entry-level DPT programs.
2. Enthusiastic researchers keen to contribute their expertise (please specify your area of interest).
3. Experienced professionals willing to serve as mentors in the field of MSKUS.

Your participation in these roles would greatly enrich our community and provide invaluable support to fellow members. Together, we can foster a collaborative and supportive environment within NMSKUS SIG.

If interested, please send the following information to Heather.Roberts@marist.edu

1. Name
2. Short Bio (1 paragraph- include your relevant MSKUS experience)
3. Geographical location/state
4. Interested in teaching introductory courses? Yes No
5. Interested in research or collaboration? Yes No
6. Interested in mentorship? Yes No
7. Area of interest for all those you answered yes above.
